To,
The Secretary to the Government
of Mysore,
Muzrai Department.

Sir,

I have the honor to state that in the village of Bamanagala alias Kundana hobli of Devanhalli Taluk there is an Ayeneya -swami temple. Survey No. 26 of this village is an olive tope, which at the survey settlement has been recognized as be- -longing to the temple. One of the trees of this tope was blown down last year by high winds. This was sold on behalf of Government and the amount realized thereby (Rs 3-13-8) credited to Muzrai surplus funds.—

2. Gundappa setti of Handé represented that this tope was planted by his ancestors, that they were using the produce thereof for Deeparadane in the temple, that he has been doing likewise and that therefore the fallen tree should be made over to him.

3. It is found as a matter of fact that Gundappa setti takes much interest

in looking after this temple, and he promises to repair the mantapam in the temple if the price of the tree is refunded to him.

4. In the year 1888 a peepul tree in the same tope was blown down and the then Amildar directed Gundappa Setti to remove that on condition of planting a new one in its place.

5. Under these circumstances, I solicit sanction for the refund of the sale proceeds and have herewith submitted a refund bill with the records of the case. I have the honor to be,

Sir,

Your Most Obedient Servant,

PETITION

PROCEEDINGS

Dated 14*th January* 1898

No. 6263-70 / Pet 849

Declaring the tope claimed by Virappa of Yellaburiga, Bowringpet taluk, to be a public tope, and recognising the petitioner as its managing trustee.

M G.C P.B — 7-2-98—120

READ —

Petition No 339, dated 20th July 1896, from Virappa of Yellaburiga village in the Bowringpet taluk, appealing against the order of the Deputy Commissioner, Kolar district directing the sale of the amarayi produce of a tope claimed by the petitioner as his private property.

2 Correspondence ending with letter No. 233—574, dated 14th December 1896, from the Deputy Commissioner, Kolar district, reporting that in consideration of the tope having been planted by the petitioner's ancestors for charitable purposes, he was permitted to appropriate the dead and fallen wood of the trees on condition of planting fresh ones in their stead and that the produce of the trees was sold annually as Amarayi, as the land was classed as kharab at the survey settlement.

3. The records of the case.

No. 6263-70—PET. 849, DATED BANGALORE, 14TH JANUARY 1898.

ORDER THEREON.—The fact that the tope came into existence by a charitable act of the petitioner's ancestors admits of no doubt. There are a tomb and two reservoirs of water used by the petitioner's caste people who gather there on occasions of feast. The land was therefor properly declared kharab and reserved as a public charitable tope. The petioner as a member of the family of the founder of this charity is entitled to the custody and management of the tope and is not entitled to use the produce or derive from it any profit for his private purposes. Likewise there is no justification for the Government to enjoy the produce as part of its amarayi. The circumstances of the case point to the advisability of the petitioner's trust being cognised by Government and his being permitted to continue in charge of the tope. The tope is accordingly declared a public charity and the petitioner recognised as the managing trustee using the income for improving the tope and liable to account for it whenever Government may call upon him to do so.

2. Such topes must form the subject of special investigation and report during the time of the jamabandi.
